

LANDSCAPERS CHOICE®

Ice Melt Blend with Two Part Anti-Corrosion

General Description

LANDSCAPERS CHOICE® is formulated with two part anti-corrosion - Calcium Magnesium Acetate (CMA) protects against damage to concrete and is biodegradable; plus product granules are coated with a liquid corrosion inhibitor which acts as a barrier to chlorides.

MELTS TO -20°F

Applications

LANDSCAPERS CHOICE® won't harm grass, trees, or vegetation when used as directed. Will not harm carpets or floors. Non-tracking. Green colored crystals for spreading visibility.

Biodegradable in soil with no adverse effect on soil and little or no adverse effect on vegetation. May stimulate plant growth.

Anti-corroding with a time-release formula.
