

Parking

1. All vehicles parking outside of the unit owners garage are to comply with the Parking Rules & Regulations and Declaration of Condominium for Evergreen Village Article VI Section 6.1 subsection b., i.
2. All vehicles should have a current inspection sticker if applicable.
3. All vehicles should be parked inside the garage. If not, a maximum of 2 approved vehicles parked in the driveway must be as close to the garage door as possible.
4. Vehicles licensed other than a passenger vehicle must be parked in the unit owner's garage. A request to allow parking of a vehicle (other than a passenger vehicle) outside the garage similar to a pickup truck (less than 5000# GVW) may be made by submitting a Change Order form to the Management Company and/or Board member for consideration prior to it being parked in the driveway. A picture of the vehicle as it will be parked must also be submitted.
5. Other types of vehicles are prohibited by the Declaration of Condominium for Evergreen Village Article VI Section 6.1 subsection i.
6. No ladders, storage boxes, or other equipment may be left on the vehicle overnight. Any loose containers, tools of any kind especially those which contain volatile items may remain in the vehicle overnight.
